MAR 25

Hello Summer

Everything you see in this brochure has been produced in our iconic factory situated just off the seafront in (usually) sunny Hastings. We have been printing here for over 120 years.

Based on the photographic excellence of Fred Judge FRPS, Judges was founded in 1902 and quickly established itself as one of the country's leading publishers of postcards.

Today the company upholds Fred's ethos of creativity and quality to cater for modern demands.

Please call by if ever you are passing, we might even treat you to a bag of chips on the beach – that's if the seagulls don't get to them first.

We are always happy to discuss any aspect of the design and production process.

Our office is open Monday to Friday
8:15am – 5.00pm and our sales@ emails
are monitored outside these hours.
